I am an aspiring video editor who is constantly working on my skills to make sure I am always on the run to make content. Even though I am a beginner in this video editing field, but I'm ready to accept different challenges related to my work.

Education

Currently I am pursuing Btech 2nd year CSIT in ITER
Bhubaneswar (2021 - 2025)

Softwares I use for my projects:-

Adobe Premiere Pro

Adobe After Effects

Adobe Photoshop & Lightroom

Skills:-

1 year+ experience in Video Editing

Creative thinking

Proper Time management

English communication

Learning Attitude
